**World-Class Business Education
with a Strong Sino-German Focus**

Overview

The MANNHEIM-TONGJI Dual Degree Executive MBA (EMBA) Program with its strong Sino-German focus responds to the growing demand for managers who can successfully navigate the challenges of both cultures. It will provide executives from around the world with the skills and tools they need for positions in international top management.

The Universities of both Mannheim and Tongji are renowned for their high academic quality, cutting-edge research and teaching excellence. They are two partners with significant experience in executive education. Moreover, both contain excellent corporate and alumni networks and demonstrate a high Sino-German affinity. The MANNHEIM-TONGJI Executive MBA (EMBA) makes best use of this valuable collaboration to provide participants with the very best in EMBA education.

Class Profile

Average age: **36** yrs

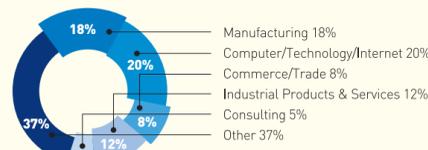

Average work experience: **12** yrs

40% female participants

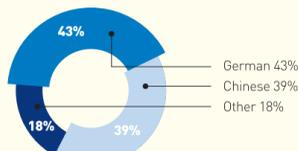

More than **60%** international participants

The class profile comprises the core values of the MANNHEIM-TONGJI EMBA program with a profile showing diversity of work experience, geographical background and a wide range of previous educational experience. While bringing multiplicity of cultures and experiences to the program, our participants share a strong Sino-German affinity. Small class sizes foster active group discussions that reflect the diversity of perspectives. Due to the continuous change of class constellations, size and diversity networking opportunities are maximized.

MANNHEIM BUSINESS SCHOOL

If there is to be a German Harvard, it will probably be in Mannheim.

— Handelsblatt

Mannheim Business School is generally reckoned to be Germany's leading business school.

— The Economist

Germany's leading higher education institution for business and economics.

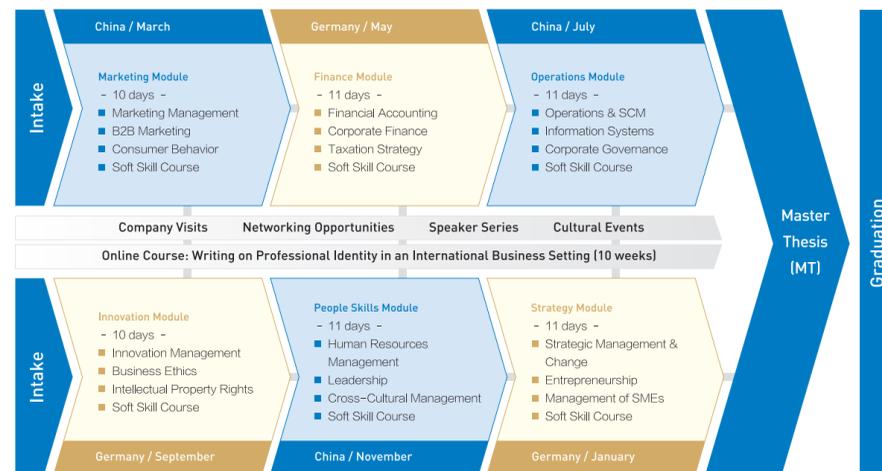

— Times Higher Education

MANNHEIM BUSINESS SCHOOL

Mannheim Business School gGmbH (MBS) is the umbrella organization for management education at the University of Mannheim. It is the leading business school in Germany and among the best in the world. Additionally, it is the only German business school accredited by AACSB, EQUIS and AMBA, the leading associations of business education institutions. Mannheim Business School's faculty members have achieved global recognition for their contributions to the scientific community, their progressive teaching methods and consulting experience. The Mannheim region is globally renowned for its innovations and quality in research, science and production.

Curriculum

A Unique Sino-German Learning Experience

Flexibility for Executive Agendas

In today's fast-paced business environment, executives need to be extremely flexible. For that reason, the MANNHEIM-TONGJI EMBA Program offers you three different study options. This flexible concept allows participants and companies to adapt the program to their individual career management, while at the same time enabling participants to conveniently combine their studies with work and family life.

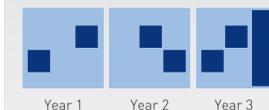

Option 1: Take the Fast Track to Your EMBA!

EMBA

Participants can complete six self-contained modules plus the Master Thesis in one and a half years and receive their dual degrees.

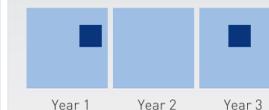

Option 2: An EMBA in a Timeframe of Your Choice!

EMBA

Participants can receive credit for modules and courses, followed by the completion of the Master Thesis in a maximum timeframe of three and a half years to obtain their MBA degree. You can start the EMBA program in March or September each year.

Option 3: Choose What Suits You Best!

Individual Certificates

Participants can attend individual modules or courses and receive a certificate. If you change your mind, the certificate can be the first step towards an EMBA.

■ =1 Module
